

## **Doctoral agreement on the preparation of a dissertation at the Faculty of Medicine of the University of Zurich**

The doctoral committee consists according to § 9 PromVO Dr. sc. med. of the following members:

- a. the supervisor of the dissertation, who must have at least a doctoral degree,
- b. a member with the right to confer the doctoral degree Dr. sc. med. according to § 11 PromVO Dr. sc. med.,
- c. an additional member who must have at least a doctoral degree and is not affiliated with the UZH or ETH.

It is chaired by a member of the Faculty of Medicine. At least half of the members must belong to the Medical Faculty of the University of Zurich.

If the doctoral student conducts his/her research at a university of applied sciences, the doctoral committee must include at least one supervisor from the university of applied sciences involved, who can act as the supervisor of the dissertation.
