**SPEAK UP!
TAKE ACTION!**

**Did you observe inappropriate
behaviour but didn't know how to
react?**

This flyer will help you take action.

Intervene when witnessing **inappropriate** questions, **harassing** behaviour and **discriminatory** statements.

Please don't ask our colleagues such personal questions

That's discriminatory. I don't want you to talk about our patients like that.

She said no. Accept it and don't ask any more questions.

Check in with the **affected person** and offer them your **support**.

How can I support you?

What just happened wasn't okay. Do you want to talk about it?

How do you feel?
How did you experience the situation?
